

Centre Number: TBC
Project Number: 01
Title of Project: Understanding young people's experiences of SHOUT
85258 support during a suicidal crisis
Name of Researcher(s): Dr. Heather McClelland

Verbal Consent Form

To collect verbal consent, review and consent of each statement of this form between the researcher and participant must be audio recorded.

The following statements will be read aloud by the Researcher and the participant must indicate whether they agree to the statement by replying 'yes' or 'no'. Following this, the participant will be asked to provide their name and the date of consent.

1. I confirm that I have read and understood the Participant Information Sheet version 1 dated 21/12/2022.
2. I confirm that I have read and understood the Privacy Notice version 1 dated 21/12/2022.
3. I have had the opportunity to think about the information and ask questions, and understand the answers I have been given.
4. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason, without my legal rights being affected.
5. I confirm that I agree to the way my data will be collected and processed and that data will be stored for up to ten years in University archiving facilities in accordance with relevant Data Protection policies and regulations.
6. I understand that all data and information I provide will be kept confidential and will be seen only by study researchers and regulators whose job it is to check the work of researchers.

7. I understand that any disclosures of harm to myself or others, which I share during my participation in this study, may lead to confidentiality being broken to ensure the safety and wellbeing of myself and others.
8. I agree to my interview being audio-recorded.
9. I understand that all audio-recorded information will be transcribed either by myself or a third-party company (1stClassSecretarial).
10. I understand that the recorded interview will be transcribed word by word and the transcription stored for up to ten years in University archiving facilities in accordance with Data Protection policies and regulations.
11. I understand that my information and things that I say in an interview or focus group may be quoted in reports and articles that are published about the study, but my name or anything else that could tell people who I am will not be revealed.
12. I agree that my name, contact details and data described in the information sheet will be kept for the purposes of this research project.
13. I understand that if I withdraw from the study, my data collected up to that point will be retained and used for the remainder of the study.
14. I agree to take part in the study.
15. My name is (*state full name*) and the date is (*dd/mm/yy*)
